

The HELP Program is a 6 week class that helps to educate and support parents that have had or are at risk of having their children removed by Children & Family Services. This class helps birth parents to understand and navigate the Child Welfare and Court Systems. Classes cover:

- Pertinent laws
- Timelines
- Tools to promote out-of-home bonding
- Techniques to work with your social worker and your child's foster parents
- TDM & FGDM
- Resources, support and so much more

Has your life become out of control?

Are your children in foster care?

Are you working with a social worker to keep your children from being removed by Children & Family Services (CFS)?

Has CFS recently come to visit?

Training Hours Are Given

Family Support Partners Are Available Upon Request

Special thanks to our guest speakers:

Angela Gordon-Nichols, MS. ED
Craig S. Lui, Attorney
Sheila Muir, Supervising MSW
Judge Marsha Slough, Presiding Judge
Dr. Kiti Randall-Freier, Neurodevelopmental Psychologist
