

All About Baby Classes

M A K I N G A D I F F E R E N C E A S S O C I A T I O N

Is Your Infant (0-12 mo.) Having Difficulties with:

- Unpredictable Sleeping Patterns
- Feeding Difficulties
- Irritability - Sensitivity to Light/Sound/Touch
- Uncontrollable Crying
- Unresponsive to Caregiver
- Exhibits Tremors
- Poor Muscle Tone
- Unable to Maintain Eye Contact
- Developmental Delays

Family Support Partners (FSP) work with families who are in need of additional supports and linkages to other services, programs and community resources. Family Support Partners are FREE of charge and available upon request.

* The "All About Baby" classes are **NOT** intended to replace the services of a physician, nor does it constitute a doctor-patient relationship.

"I just needed someone to help me understand why she cried so much and who could understand what I was going through."

- Caregiver, San Bernardino County

Learn "hands on" tools and strategies to care for an infant that is having difficulties or trouble bonding.

- Free goodies after every class
- Free childcare available for children over 1 yr.
- Training hours given - Approved by Children & Family Services
- Referrals to resources & programs
- Family Support Partners provided upon request
